## Conditions of S A L E.

I. **T**H E highest Bidder is the Buyer, but if any Difference arise, the Book or Books in Dispute to be put up again.

II. Each Person to give in his Name, and pay 5 s. in the Pound in part of what he buys, (if demanded) and no Book to be delivered in Time of Sale without being paid for.

III. The Books are supposed to be perfect; but if any prove otherwise before taken away, the Buyer to be at his Liberty to take or leave them.

IV. That the Books be fetched away at the Buyer's Charge, and the Money paid in two Days after the Sale is ended, the Room being then obliged to be cleared, to make Room for the second Part.

V. That no Person bid less than 3 d. for a Folio, nor less than 6 d. after a Book advances to 10 s.

Any Gentlemen who cannot attend the Sale may have their Commissions faithfully executed by

*Their humble Servants,*

Joseph Brigstock, *Auctioneer.*

O R

John Atkinson, *Writer.*

Collection 3. 3. 1. 1.

1. The first part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

2. The second part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

3. The third part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

4. The fourth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

5. The fifth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

6. The sixth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

7. The seventh part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

8. The eighth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

9. The ninth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.

10. The tenth part of the collection is a series of letters from the author to his friends and family, written during his stay in the country. These letters are of great interest, as they show the author's state of mind and his views on the world at that time. They are also of great value to the biographer, as they give us a glimpse into the private life of the author.
